B. Those who currently have a mid to long-term status in Japan except as a student resident status

Application for Change of Status of Residence

Foreign nationals who currently have a mid to long-term status in Japan except as a student and wish to change the status of residence to student are required to apply for Change of Status of Residence at their regional immigration bureau.

* Most of the scholarships for international students inside and outside of AGU require a student status of residence.

Application at the International Center – 3 months to 1 month before your visa expires Application Period – 3 months before your visa expires
